INTRODUCING!

CATECHISM
OF THE UKRAINIAN CATHOLIC CHURCH

CHRIST OUR PASCHA

Icon of Metropolitan Andrey Sheptytsky courtesy of St. Demetrius the Great Martyr Ukrainian Catholic Church, Toronto, Ontario

" I would like to explain what a Catechism is. You shall see that this is a truly golden book:

Golden, for it contains the sincerest and the most sacred of God's teaching;

Golden, for it so valuable that Christians must value it as real gold or even higher...

May our God bless you and help you understand how important the study of the Catechism is and what needs to be done to learn it well and teach it to children. Amen".

Metropolitan Andrey "On the Study of Catechism"
April, 9, 1936./Pastoral letters. Vol.II, p.362-365
