

Great Banquet

- 1. Who did the man having the banquet represent and who are the servants?
- 2. What banquet does God invite us to every week?
- 3. Why doesn't God just force people to do things instead of inviting them?

## Praying Together:

Dear God.

Thank you for inviting us to your Great Banquet every Sunday. Help us not be lazy and make up excuses not to accept your invitation. Remind us always to invite others to your wonderful banquet!

Amen.
