

# MINISTRY UPDATE 2021

# LETTER FROM BISHOP DAVID

Dear Friends,  
Glory be to Jesus Christ!

As 2021 reaches its end, we are encouraged to call to mind the many blessings from God received during this past year. While it has been another year of twists and turns, it has also been one of great inspiration and joy.

The ministries at the Pastoral Centre are many and are served by the Pastoral Centre staff with sincere dedication and love in support of our parishes, our parishioners, and our clergy in their ministry to the faithful of the Eparchy of Edmonton. From support in various aspects of pastoral care and religious education, including online gatherings, workshops, retreats, the continuing development of the Image to Likeness Religion program, our Lay Leadership and Diaconal Formation Program as well as ongoing clergy formation to assistance in parish finance and administration, grant applications and special funding for parishes, insurance-related issues, as well as web-design and communications, we have much to celebrate and be grateful for.

This year we will launch our exciting new Office for Family and Life Ministries. I invite you to join us at the Armchair Gala 2.0 on December 9th. We will share our plans to respond to the pastoral needs of families and help them to live out the grace of the sacraments in their daily lives.

May God bless you and your family as we prepare to celebrate the Feast of the Nativity of Our Lord and Saviour Jesus Christ.

Bishop David Motiuk  
Eparchial Bishop

## New: Family and Life Ministry

Coming 2022, under the direction of Andrea Leader and Bernadette Mandrusiak, the Office for Family and Life Ministry will respond to the pastoral needs of families by providing resources and support for family spirituality, marriage preparation and post-sacramental care, formation for young people, and the domestic church, to help families live out the grace of the sacrament in their daily lives.

# OUR NEW SYMBOL OF FAITH AND HOPE

As a part of the Edmonton Eparchy's Evangelize 2021 campaign, we reached out to our community to help us design a new logo for our Eparchy, an image that specifically represents our common mission of the Church, to *evangelize and share the Good News of the Gospel of Jesus Christ with everyone, no matter where they are on their faith journey.*

## What it represents...

The golden church dome under a vivid blue sky was a steadfast symbol of faith and hope for the Ukrainian Catholics who ventured into the harsh conditions of the new world. Today, it remains a recognizable image that is familiar and welcoming to all Albertans, no matter their background.

In this representation, logo designer Julian Hayda modelled his dome after St. Mary Ukrainian Catholic Parish in Waugh, Alberta. He explains, "What you see here are two paths, beginning at both East and West, and converging at a pinnacle as two hands holding one cross together." He is referring to Eastern Catholics in full communion with Rome, joined in the one Catholic Church. The arms reaching upward also reflect our ardent desire to enter into communion with the awesomeness of God through the sacrificial love of Christ represented by the cross.

Here, as in classical iconography, the colour blue also represents divinity. The darker the blue, the more deeply we enter into the life of the Holy Trinity. The circle stands for the eternal nature of God – without beginning or end. As such, God's love for us is eternal – a mystery beyond our understanding. In contrast, the golden dome reflects the glory of God, the Divine Light visible to us. Its shape reminds us of the vault of heaven where we experience the embrace of the living God, especially through the Holy Mysteries, the Eucharist in particular.

Finally, an invitation, "Come follow me." Christ who called the first disciples, also calls each and every one of us to follow him. A relatable and inspiring image, the logo of the Eparchy of Edmonton reflects the mission of the Church, to evangelize and share the Good News of the Gospel of Jesus Christ with everyone, no matter where they are on their faith journey.

# HOPES AND DREAMS FOR 2022

God chooses to reveal God's self by coming into the world through a family. At his birth, Jesus, the Son of God, is born into a family, Mary and Joseph, that is, the Holy Family. Like the Holy Family, our families form the first Church, the "Domestic Church," where God's love accompanies us in the unfolding of God's plan of salvation for humankind.

Now more than ever, the Church is called to accompany families in the joys and challenges in what it means to be a family today, especially in the family's mission as the domestic church in passing on the faith to children and grandchildren.

Join the us at the Armchair Gala 2.0 on December 9th to hear Bishop David speak about the Eparchy of Edmonton's new Office for Family and Life Ministries.

Family and Life Ministries will respond to the pastoral needs of families by providing resources and support for family spirituality, marriage preparation and post-sacramental care, formation for young people, and the domestic church, to help families live out the grace of the sacrament in their daily lives.

## SUPPORT THE MISSION

One way to support our Eparchial Ministry is to become a month-to-month supporter. Starting 2022, we will include updates regarding our Family and Life Ministry in our month-to-month supporter mail-out letters. Any amount donated to this year's Gala will directly support this vital Family and Life Ministry.
